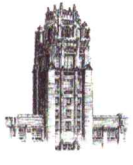
Alma Mater

Lincoln shining torch of learning
You will always be
Tower light forever burning
For the world to see.

Chorus

Raise your voices now to praise her
Raise them to the sky
We will love our Alma Mater
Till the day we die.

May the friendships that we've made here
Ever strong and true
Like the mem'ries that we hold dear
Keep us close to you.



Lyrics
"For Good"

I've heard it said
That people come into our lives for a reason
Bringing something we must learn
And we are led
To those who help us most to grow
If we let them
And we help them in return
Well, I don't know if I believe that's true
But I know I'm who I am today
Because I knew you...

Like a comet pulled from orbit
As it passes a sun
Like a stream that meets a boulder
Halfway through the wood
Who can say if I've been changed for the better?
But because I knew you
I have been changed for good

It well may be
That we will never meet again
In this lifetime
So let me say before we part
So much of me
Is made from what I learned from you
You'll be with me
Like a handprint on my heart
And now whatever way our stories end
I know you have re-written mine

Like a ship blown from its mooring
By a wind off the sea
Like a seed dropped by a skybird
In a distant wood
Who can say if I've been changed for the better?

Because I knew you
Because I knew you

I have been changed for good

And just to clear the air
I ask forgiveness
For the things I've done you blame me for

But then I guess we know
There's blame to share

And none of it seems to matter anymore

Like a comet pulled from orbit
As it passes a sun
Like a stream that meets a boulder
Halfway through the wood

Like a ship blown from its mooring
By a wind off the sea
Like a seed dropped by a bird in the wood
Who can say if I've been
Changed for the better?
I do believe I have been
Changed for the better

And because I knew you...

Because I knew you...
Because I knew you...
I have been changed for good...
